

# > Travel Data Daily

travel and surf from just  
CHF 4.–/day for 2 MB

With Travel Data Daily you need have no more worries about the cost when using mobile Internet. You only pay for the days you have actually been online, which can save you 75 %<sup>2</sup> or more on the normal tariff.

## the advantageous daily tariff for data traffic when travelling

Travel Data Daily offers you a cost-effective daily tariff so you can work online and communicate while abroad without a care in the world, and it's worthwhile even if you only transfer data occasionally.

With Travel Data Daily you can save money when using your smartphone, mobile phone or laptop for all kinds of data traffic while travelling:

- send and receive emails with or without attachments
- synchronise contacts and appointments via the mobile network
- research on the Internet
- download documents
- use online services (such as news or stock exchange) and navigation systems

## for travel in Europe

Choose one of our three Travel Daily data bundles, and you only pay on the days when you actually use the service:

- Designed for smartphones and mobile phones  
CHF 4.–/day for 2 MB data
- Designed for laptops with Internet Everywhere  
CHF 10.–/day for 10 MB data
- Designed for intensive usage on a laptop with Internet Everywhere  
CHF 25.–/day for 50 MB data

If during the course of one day, you use more than your free allowance, additional data traffic is charged at an advantageous tariff of just CHF 2.–/MB; and you only pay on the days when you actually use the service.

If you also travel to other parts of the world and/or regularly use higher data volumes, check out our Travel Data Daily World and Travel Data Optima & Travel Data Options.

save 75 % or more on data  
roaming costs

Travel Data Daily offers you a flexible and economical solution for occasional data and Internet usage when travelling.
