

Orange Box

To access your Orange Box, simply dial 086 followed by your mobile phone number (086 07x xxx xx xx). The first time you access your Orange Box, you will be asked either to record a personalised welcome message or to record your voice signature and create a new password (see details below).

Listen to messages in your Orange Box

To listen to your messages simply dial 086 07x xxx xx xx, or depending on the model of your mobile phone use the shortcut by pressing **1**.

Personalise your welcome message

- Access 'Main menu' by pressing **1**
- Select 'Personal options' by pressing **2**
- Select 'Change your welcome message' by pressing **1**

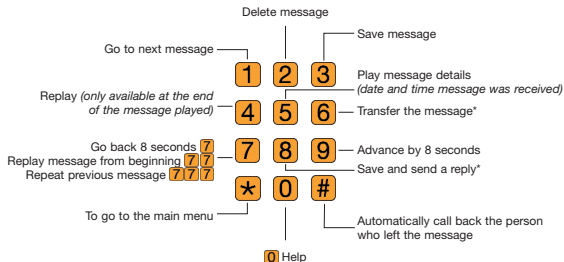

Change your voice signature

- Access 'Main menu' by pressing **1**
- Select 'Personal options' by pressing **2**
- Select 'Change your voice signature' by pressing **2**

Protect your Orange Box with a password

- Access 'Main menu' by pressing **1**
- Select 'Personal options' by pressing **2**
- Select 'Password' by pressing **3**
- Enter your new password
- Save your new password by pressing **1**

To access your message from another phone or even from abroad, dial +41 86 followed by your mobile phone number. As soon as you hear your welcome message press **1**, then enter your password and press **#**.

*Only for customers who have a subscription (e.g. Orange Me). These features are not available to Prima, Orange Comfort or PrePay customers.
